More 2024 reports and deadlines on back

Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

¹ Applies to 150,000 sq ft or larger warehouses only.

² Due every even-numbered year (for example, a report due by March 1, 2024, would report activities from calendar year 2023).

³ Only required if any appliance containing 50 or more pounds of ozone-depleting refrigerant leaks 125 percent or more of the full charge in a calendar year.

⁴ Some CUPAs may have a different deadline than March 1.
