Jul 28	Semi-Annual Stormwater Reporting		●			

**More 2024 reports and deadlines on back**

Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

<sup>1</sup> The annual hazardous waste report and assessment is due by January 1, but the KDOW - HWB allows a grace period until March 1. A report postmarked March 1, but received after March 1 may be assessed a late fee.

<sup>2</sup> The air emissions survey is due 30 days following the receipt of the survey request letter, which typically arrives in the first calendar quarter.
