<sup>1</sup> Due every even-numbered year (for example, a report due by March 1, 2024, would report activities from calendar year 2023).

<sup>2</sup> If also submitting a Source Registration, may submit on the later deadline.

<sup>3</sup> Required for printers, dry cleaners and photoprocessors.

<sup>4</sup> Manufacturers (including importers) are subject to the reporting requirements based on manufacturing (including importing) activities conducted during the calendar years 2020 through 2023.
