More 2024 reports and deadlines on back

Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

¹ For facilities with on-site inventory of at least 500 lbs for extremely hazardous substance or 10,000 lbs for other identified chemicals.

² Chronic Leakers Large Appliance Report (does not apply to non-exempt substitute refrigerants, such as hydrofluorocarbons, per EPA March 2020 final rule).

³ For facilities subject to TRI and large quantity generators.
