Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

[1] Due every even-numbered year (for example, a report due by March 1, 2024, would report activities from calendar year 2023).

[2] Due odd years.

[3] Some facilities may have different deadlines based on permit issuance date.

[4] The due date for these reports will be facility specific.

[5] Manufacturers (including importers) are subject to the reporting requirements based on manufacturing (including importing) activities conducted during the calendar years 2020 through 2023.
