Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

¹ Due dates are listed in your facility's permit and may vary from the information above (e.g., due dates can occur 30, 45, or 60 days after the reporting period). Additionally, other reports may be required (e.g. quarterly monitoring reports).

² Manufacturers (including importers) are subject to the reporting requirements based on manufacturing (including importing) activities conducted during the calendar years 2020 through 2023.
