Note: This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

¹ The January 25th deadline for the annual waste summary is for paper filers only. All other waste summaries must be submitted online through STEERS by March 1st. Please note that Large Quantity Generators MUST use STEERS to file their annual waste summary.

² Site and permit specific requirements may vary. Please check individual requirements for reporting deadlines.

³ Title V Semi-Annual and Annual Compliance reporting deadlines are site-specific. NSPS and MACT compliance reporting deadlines vary by regulation.
