

# Stay Ahead of Compliance Shifts. Trinity Delivers Clarity When Regulations Change.

Navigating the annual environmental reporting season demands meticulous planning, detailed preparation, and flawless execution from someone who understands local regulatory nuances.

Trinity's unparalleled compliance expertise and extensive industry knowledge across all environmental media and reporting categories ensure access to the very best resources to streamline compliance with all federal, state and local regulations, consistently and accurately.

Trinity is your local reporting expert! Contact your [Trinity Oklahoma office](#) for a quote.

| Due Dates | Oklahoma Environmental and Sustainability Reports                  | Air Data | Water Data | Waste Data | Chemical Data | Energy Data |
|-----------|--|----------|------------|------------|---------------|-------------|
| Jan 15    | Stormwater Discharge Report <sup>1</sup>                           |          | ●          |            |               |             |
| Mar 1     | Tier II Report (EPCRA)   |          |            |            | ●             |             |
| Mar 1     | Annual Comprehensive Site Compliance Evaluation Report (ACSCER)    |          | ●          |            |               |             |
| Mar 1     | Biennial Hazardous Waste Report for Large Quantity Generators      |          |            | ●          |               |             |
| Mar 1     | Refrigerant Management Rule Chronic Leakers Large Appliance Report | ●        |            |            | ●             |             |
| Mar 31    | Greenhouse Gas (GHG) Report <sup>2</sup>                           | ●        |            |            |               |             |
| Apr 1     | Air Emissions Inventory  | ●        |            |            |               |             |
| Jul 1     | Toxics Release Inventory (TRI) Report                              | ●        | ●          | ●          | ●             |             |
| —         | MACT Compliance Reports <sup>3</sup>                               | ●        | ●          |            |               |             |
| —         | NSPS Compliance Reports <sup>3</sup>                               | ●        |            |            |               |             |
| —         | Title V Semi-Annual Report (SAR) <sup>3</sup>                      | ●        |            |            |               |             |
| —         | Title V Annual Compliance Certification (ACC) Report <sup>3</sup>  | ●        |            |            |               |             |
| TBD       | CDP (previously known as Carbon Disclosure Project) <sup>4</sup>   | ●        | ●          | ●          | ●             | ●           |

**Note:** This is not an exhaustive list of reporting deadlines. Facility-specific requirements and deadlines may vary. Trinity suggests checking with local regulators for submission deadlines. Submit or postmark reports by the due date for on-time consideration. If due date falls on a weekend or holiday, Trinity recommends you submit or postmark the prior business day.

<sup>1</sup> If applicable, Stormwater sampling is once a year, usually December with DMR being done in January.

<sup>2</sup> EPA has proposed moving the 2025 GHGRP deadline to June 10, 2026 and eliminating most reporting requirements after 2024 (with Subpart W suspended until 2034). Until finalized, current March 31 deadlines remain in effect. See details at [Rulemaking Notices for GHG Reporting | US EPA](#).

<sup>3</sup> Title V Semi-Annual and Annual Compliance and PSD Reporting deadlines are site-specific. NSPS and MACT compliance reporting deadlines vary by regulation.

<sup>4</sup> CDP is a global non-profit that runs the world's only independent environmental disclosure system for companies, capital markets, cities, states and regions to manage their environmental impacts.
